Wisdom of Numerology

A Concise Numerology Book to Help You Create a Fulfilling, Productive Life

BY SUZAN OWENS

Wisdom of Numerology helps you understand the energy of each number in a simple, straightforward way so you can learn how to resonate with the numbers' vibrations to bring balance and harmony into your life. Your authentic self is revealed as you study your life path, destiny, personality, and the very center of your being—your heart.

Discover your highest potential as you study the pinnacles and the challenges presented in your numbers.

Using the simple method outlined in this book, learn to calculate your personal year numbers and how to make your best life choices for a rewarding and productive year. When you understand each year's numerical energy, you can choose how to live in harmony with that vibration to create a more balanced and rewarding year.

Includes Quick Number Reference, Quick Definition Reference, Detailed Number Descriptions, Chart Calculations in a nutshell, and blank Numerology Charts to calculate your own numerology. Use numbers to your benefit to live the highest potential of your life. But mostly...

HAVE FUN exploring yourself and your life through numbers!

Suzan Owens is an established Numerologist, Psychic Medium and author of Wisdom of Numerology. Years of studying Numerology charts and readings for clients led to her writing this practical and useful book. She compiled her extensive knowledge and unique understanding of numerology into her work. She began studying Numerology over 30 years ago and was fascinated with the synchronicity, guidance and growth this study offered.

Luminous Moon Press is a member of the Colorado Independent Publishers Association.
